Abhinav Singh
Frontend Developer / Web Developer

✉ vabhinav898@gmail.com   📞 7004835582   🌐 My Portfolio

Self-motivated Computer Science student and passionate Frontend Developer with expertise in creating responsive web interfaces using HTML, CSS, JavaScript, and modern frameworks. Actively learning full-stack development (Node.js, Express). Built a responsive Spotify clone UI. Strong believer in clean code, teamwork, and continuous learning.

Projects

Spotify clone

GitHub : *https://github.com/abhinav-973/Spotify-Clone*

- Designed a responsive Spotify Clone UI using HTML, CSS, and JavaScript.
- Focused on clean layout structure, dynamic components, and intuitive user interaction.
- Continuously improving project by learning backend development using Node.js and Express.
- Collaborated with online communities (e.g., GitHub, Discord) for feedback and improvements.
- Planning to deploy full-stack version with integrated backend functionality.

Portfolio Website

GitHub : *https://github.com/abhinav-973/My-Portfolio*

- Built a fully responsive personal portfolio website using HTML, CSS, and JavaScript.
- Showcases my projects, skills, and contact information.
- Implemented clean, accessible design with responsive layouts.
- Deployed using GitHub Pages.
